

Appendix 13 Emails from Joey Gilbert - he never thought these emails would be made public.

1. An example of Joey Gilbert being both dishonest and lazy. Joey asked his co-conspirator attorney Lauren Bradford to *garner him credit for work he never did*. I never heard of a lawyer doing anything like this.

Hi all!

Moving forward can we please make sure to include Joey Gilbert as an attorney on all filings and briefs that are done? The brief last week was done so quickly I didn't have time to ask that his name was included but he has asked multiple times so I want to make sure we don't forget / leave him out again.

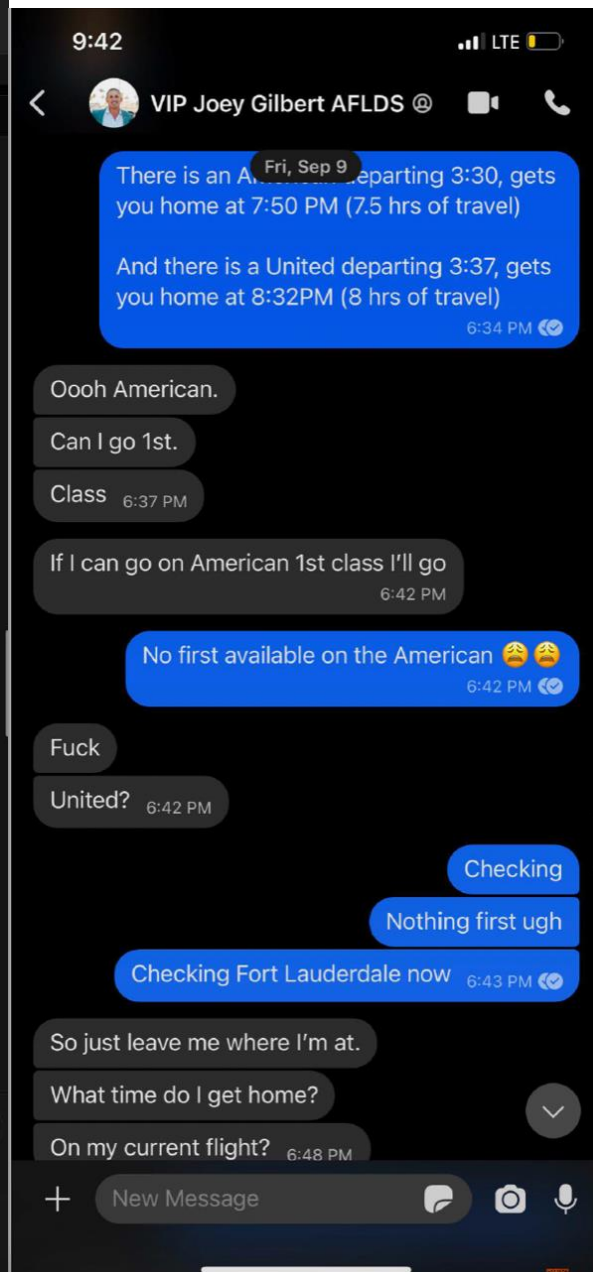

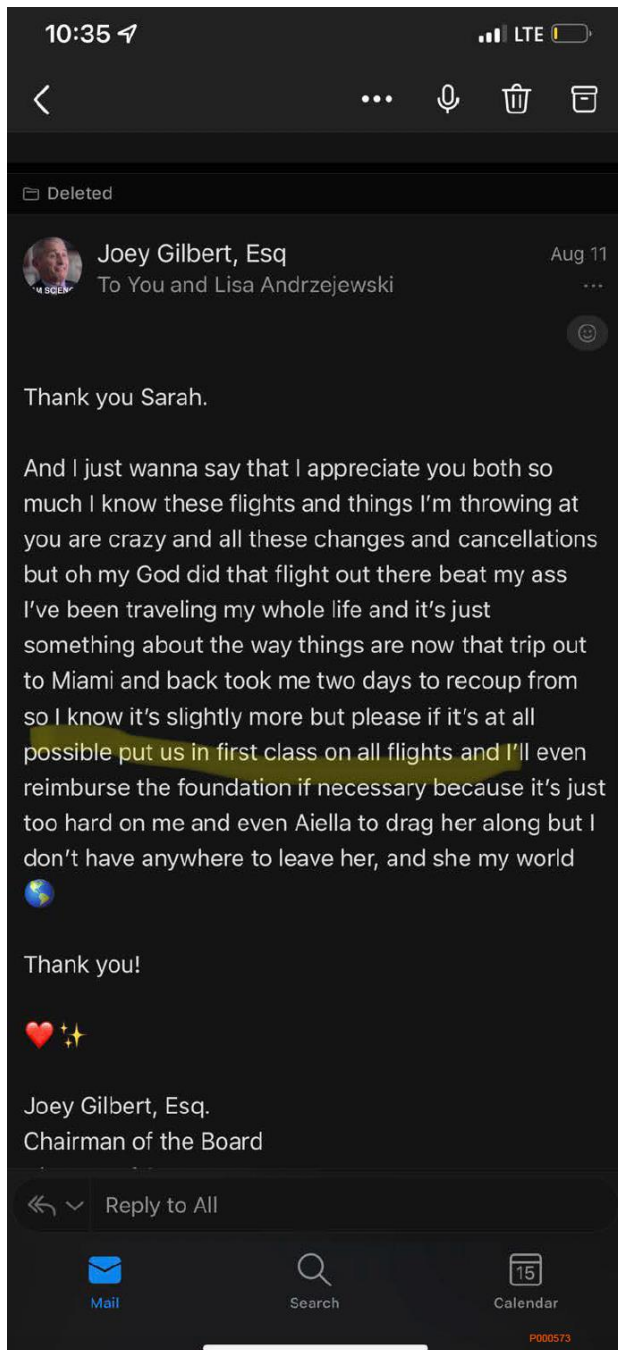

Thank you!
Lauren

Actually, David. Just thinking, is there any way we can add Joey on even though briefs have been filed?

2. An example of Joey Gilbert being entitled and engaging in corporate theft. He was well aware that organizational policy was *never* to fly first class. I raise all the money for the nonprofit and I would never fly first class! He intimidated assistants to book him for first class about 7-8 times *and* flew his pre-teen daughter (who of course does not work for AFLDS) first class. His "offer" to reimburse the organization was insincere; he certainly never made any attempt to reimburse the organization. This all was revealed when he slandered me as wasting charitable funds, including flying first class. At that accusation, the team informed me that the *only* person ever to demand first class was Joey. And another example of Joey's vulgar and highly unprofessional language/demeanor. To underlings he appeared threatening, like a thug.

3. An example of Joey Gilbert defaming me on his Facebook page, Nov-Dec. 2022.

4. An example of Joey Gilbert venting with his usual vulgar unprofessional speech. He was threatening everybody. Note that in this email he had also appointed himself “COO.”

And if Dr. Gold is reading these messages or anybody else that's a fucking traitor you will all find yourselves in a position you never imagined you insufferable fucking cowards watch what happens the Lord is on my side and so is the truth and you will not get away with what you've done.
Cockroaches.

You must've forgot what I did prior to becoming a top rated trial attorney, you clowns have never done or successfully managed or owned anything you've tried you've dabbled, but now you're about to face the fire of a tried and tested champion.

Bitches.

Chairman of the Board

5. An example of Joey Gilbert getting caught. Joey Gilbert was sanctioned nearly \$250,000 by a Judge for filing frivolous litigation. Joey arranged for public-donor money to pay this bill. And he learned nothing from this sanction - he filed frivolous litigation against me less than two months later.

FIRST JUDICIAL DISTRICT COURT

CARSON CITY, NEVADA

JOEY GILBERT, an individual,

Plaintiff,

vs.

STEVE SISOLAK, in his official capacity as Governor of Nevada; BARBARA CEGAVSKE, in her official capacity as Secretary of State; and JOSEPH GLORIA in his official capacity as Clark County Registrar of Voters, JAMES B. GIBSON, in his official capacity as Chairman of the CLARK COUNTY BOARD OF COMMISSIONERS, and DEANNA SPIKULA in her official capacity as Washoe County Registrar of Voters and VAUGHN HARTUNG in his official capacity as Chair of the WASHOE BOARD OF COUNTY COMMISSIONERS, and JOSEPH LOMBARDO, putative Republican candidate for Governor of Nevada; and DOES 1 through 10 and ROES 1-10,

Defendants.

Case No.: 22 OC 000851B

Dept. No.: I

**ORDER GRANTING DEFENDANT
JOSEPH LOMBARDO'S MOTION FOR
SANCTIONS**

20 4. The Court finds that Mr. Gilbert's Contest is a frivolous action that warrants sanctions
21 under NRS 18.010(2)(b) and NRS 7.085(1). Mr. Gilbert did not—and could not—present any
22 admissible evidence to support the case-dependent thesis that the restored election results show he
23 received the most votes in the 2022 Primary. The fundamental lack of evidence on this pivotal issue
24 proved fatal to the Contest as the Court granted summary judgment in Mr. Lombardo's favor at the
25 conclusion of discovery. See Order dated August 11, 2022 (on file). Because "[a]n action is not
26 well-grounded when there is no evidence to support it," *Watson Rounds, P.C. v. Eighth Judicial*
27
28

1 *Dist. Court*, 133 Nev. 1090, 391 P.3d 759, 2017 WL 1080061, at *1 (2017), Mr. Gilbert's failure to
2 adduce any competent evidence regarding the key element of "restoration" is grounds for the
3 imposition of sanctions under NRS 18.010(2)(b) and NRS 7.085(1) as he could never demonstrate
4 that he prevailed in the 2022 Primary.

5 5. The Court further finds that Mr. Gilbert's contention that the results of 2022 Primary
6 were mathematically or geometrically "impossible" does not rise to the level of a well-grounded
7 claim under Nevada law. Indeed, based on the opinions of Mr. Lombardo's qualified expert
8 witnesses, the Court finds Mr. Gilbert's claim regarding the "math" is highly dubious. But, even if
9 his claim regarding mathematic or geometric "impossibility" was true, Mr. Gilbert still did not have
10 any competent evidence to demonstrate that he won the 2022 Primary as would be required to prevail
11 under NRS 293.410(2).

13 III. ORDER

14 IT IS HEREBY ORDERED AND ADJUDGED that Mr. Lombardo's Motion for
15 SANCTIONS is GRANTED.

16 IT IS FURTHER ORDERED that Mr. Lombardo shall submit his memorandum of attorney's
17 fees on or before October 11, 2022

18 IT IS SO ORDERED on this 21 day of September, 2022.
